## About the presenters:

Paddy Cunningham is a professional naturalist and bird guide, ABA's Florida Ambassador and coordinator of the Everglades Birding Festival.

Rob Hopper, ASLA, is a senior environmental analyst with the South Florida Water Management District, botanist, and entertaining lecturer.

Claudine Laabs is a renowned nature photographer, lecturer and guide, past President of Audubon of the Everglades, lecturer and guide.

Clive Pinnock, a former wildlife biologist for the National Park Service, is manager of Okechee Nature Center and established their Raptor Chapter 10 years ago.

David Simpson leads bird tours, is a former ranger, and holds many big day and big year records. Presently, David is actively involved with Cornell Lab of Ornithology e-bird site.
