

***The Everglades Needs
YOUR Help***

**THE EVERGLADES NEEDS THE POWER OF ONE PERSON. YOU.
TEXT THE WORD WATER TO 52886. REGISTER SUPPORT FOR SENATE BILL 10.**

Dear ASE Member,

APRIL 1, 2017

The battle for the Everglades rages on! Next Wednesday, April 5, Senate Bill 10 (To purchase land in the Everglades Agricultural Area and build reservoirs in order to send Lake Okeechobee water south.) will face its most important vote yet in the full Appropriations Committee. This vote is critical.

There are two easy ways you can help – right now.

Text: The first, and fastest, is to text the word “WATER” to 52886 as shown in the image above. This will send a message directly to your specific legislator.

Call: The second is to call as many of these members of the Senate Appropriations Committee, which is listed below, as you can. Their names, phone numbers and areas of the state they represent are shown for your convenience.

Message: Explain to them that you don't care how much influence or pressure Big Sugar has exerted on them, they need to do the right thing, right now, and support Senate President Joe Negron's #1 priority – acquiring the land for the reservoir so we can move the water south from Lake O, get it cleaned and released into to a dehydrated and collapsing Everglades.

Thank you for your help. In the fight for the Everglades, we are up against a formidable opponent. It's the power of the people that will win this fight- the power of our emails, phone calls and constant reminders to our legislators that they represent us, and it's their job to act. The Everglades needs your help.

The time to act is now.
